

Caster/Inner Platform Bases

features:

Caster Base

- Available in commercial grade or for fine floors
- Durable black textured powder coat finish
- Commercial grade caster base is UL listed in Canada and the U.S. (except Slim 5 models)
- Accommodates MRK, WRK, ERK and Slim 5 Series enclosures

BS-MRK-31

Inner Platform Base

- Fits inside rack
- Mounts flush with bottom of rackspace
- Ideal for supporting heavy electrical equipment and mounting electrical boxes
- Accommodates MRK and WRK Series enclosures

CBS-MRK-31

specifications:

CBS Commercial Grade Caster Base

Commercial grade caster base shall be Middle Atlantic Products model # CBS-___-___ to accommodate ___ Series ___" depth racks (refer to chart). Caster base shall be constructed of 11-gauge steel. Caster base shall be ___" H x ___" W x ___" D and have a weight capacity of ___ lbs. (refer to chart). Caster base shall have one knockout in the center of the base for cable pass-through measuring ___" W x ___" D (refer to chart). Caster base shall raise total rack height ___" (refer to chart). Caster base shall be finished in a durable textured black powder coat. Caster base shall be UL listed in the U.S. and Canada (except Slim 5 models). Caster base shall be GREENGUARD Gold Certified. Caster base shall be manufactured by an ISO 9001 and ISO 14001 registered company. Caster base shall be warrantied to be free from defects in material or workmanship under normal use and conditions for a period of 7 years.

CBS Fine Floor Caster Base

Fine floor caster base shall be Middle Atlantic Products model # CBS-___-___R to accommodate ___ Series ___" depth racks (refer to chart). Caster base shall be constructed of 11-gauge steel. Caster base shall be ___" H x ___" W x ___" D and have a weight capacity of ___ lbs. (refer to chart). Caster base shall have one knockout in the center of the base for cable pass-through measuring ___" W x ___" D (refer to chart). Caster base shall raise total rack height ___" (refer to chart). Caster base shall be finished in a durable textured black powder coat. Caster base shall be GREENGUARD Gold Certified. Caster base shall be manufactured by an ISO 9001 and ISO 14001 registered company. Caster base shall be warrantied to be free from defects in material or workmanship under normal use and conditions for a period of 7 years.

BS Inner Platform Base

Inner platform base shall be Middle Atlantic Products model # BS-___-___ to accommodate ___ Series ___" depth racks (refer to chart). Inner platform base shall be constructed of 11-gauge steel. Inner platform base shall be ___" H x ___" W x ___" D (refer to chart). Inner platform base shall have one knockout in the center of the base for cable pass-through measuring ___" W x ___" D (refer to chart). Inner platform base shall be finished in a durable textured black powder coat. Inner platform base shall be GREENGUARD Gold Certified. Inner platform base shall be manufactured by an ISO 9001 and ISO 14001 registered company. Inner platform base shall be warrantied to be free from defects in material or workmanship under normal use and conditions for the lifetime of the product.
