

HP Poster Expansion Kit

Fade-resistant, high-quality enlargements and posters with the HP Designjet 130NR

Add high-quality, reliable poster printing to your HP Photo Center with the HP Poster Expansion Kit. Choose from the HP Designjet Z3100 or the HP Designjet 130NR. The HP Designjet 130NR option enables your customers to print large, long-lasting and vibrant posters from their favorite photos.

HP Designjet 130NR

The HP Designjet 130NR gives your customers the ability to produce vivid, long-lasting collage and single-image posters – bringing additional revenues and profits into your HP Photo Center.

Colour images that last

Using proprietary dye-based HP Vivera inks, the HP Designjet 130NR works flawlessly to produce rich, fade-resistant colours and high-quality images that last for generations. With its 6-colour HP printing system, the

HP Designjet 130NR delivers a wide range of colours and deep black tones with superior gloss uniformity. The 4-picoliter ink-drop size maintains fine-detail reproductions. The internal colour sensor gives your customers' posters reliable, consistent colour from print to print.

Why choose HP's Photo Center?

HP Photo Center expands your retail business with high-margin, high-value products, giving your customers access to vibrant, lab-quality photos in minutes. Using Photo Center's single order kiosk, your customers can easily produce professional-looking photo books, calendars, greeting cards and more. HP Photo Center connects you with HP's innovative, reliable, clean and easy-to-use photo finishing solutions.
