Highlights

DualPrecision blades

DualPrecision blades comfortably shave both long hairs and short stubble. 1. Slots cut long hairs. 2. Holes cut stubble.

Pivot, Flex and Float

The heads flex to stay in close contact with your skin, and pivot to add an extra dimension of movement, all of which gives you a close, fast and comfortable shave.

50+ shaving minutes

An energy-efficient, powerful and long-lasting lithium-ion battery gives you more shaves per charge. Charge it for an hour, and you'll have 50+ minutes of shaving time - that's around 17 shaves. Charge it for 3 minutes and you'll have enough power for 1 shave.

Super Lift & Cut action

The first blade raises each hair while the second blade comfortably cuts below skin level, for really smooth results.

Pop-up trimmer

Complete your look by using the pop-up trimmer. Perfect for maintaining a moustache and trimming sideburns.
