- Max hole pattern 800 x 510 mm

Features

[+ / - 15° tilt](#)

Allow the TV to be adjusted up and down + / - 15° to attain the optimum viewing angle.

PHILIPS

VESA 75,100,100x200,200

Compliance with the Video Electronics Standards Association requirements for bolt patterns ensures that the wall support matches up to the bolt pattern on your specific TV.

UL/CUL weight approved

Compliance with Underwriters Laboratories requirements for weight certification ensures the wall mount will safely hold your TV.

Mounting templates included

Paper guides indicate the ideal hole pattern for drilling into walls, ensuring users of exactly the right hole configuration.

Mounting hardware included

Includes all necessary screws, anchors and bolts for different types of walls, ensuring the right type of hardware is readily available for the particular type of wall the support is being mounted on.

Bubble level and stud finder

Includes both tools necessary for installation. A bubble level ensures a straight line. A stud finder quickly, easily and accurately locates studs in the wall.
