Highlights

Comfortable, sporty material

This sporty case adds a padded, moisture-wicking layer to your device, protecting it against sweat and the elements while you exercise.

High performance sleeve

Inspired by the compression sleeves used by athletes, this slip-on armband provides a comfortable, easy-to-use solution for working out with your music.

Lightweight and form-fitting

Made from a spandex/lycra blend, the sleeve is designed to be form-fitting and lightweight so you can exercise in comfort. When you're done with your workout, the sleeve is hand washable.

Available in various sizes

So that you have the right fit, the sleeve comes in a variety of sizes. The comfortable materials stretches to fit - but remember, it should fit fairly tight for best performance.
