

Philips
USB battery pack

Universal

DLM2262

Recharge multiple times on the go

with a portable back-up power pack

Have power wherever and whenever you need it – the battery pack gives you the extra power for more than two full recharges. Including micro- and mini-USB cables, iPhone & iPod cable, built-in cable management and hidden power-status light.

Charge your mobile devices

- A great spare or replacement cable to have on hand
- Micro-USB cable included to connect and charge
- Mini-USB cable included to connect and charge

Portable power

- Recharge your devices multiple times on the go
- Works with USB-based devices
- Works anywhere - great when you're not near a power source

Smart design

- Hidden power-indicator light to confirm status at a glance
- Integrated cable management to keep things organized
