HX6063/62

Highlights

Snap-on brush head

Easy brush head placement and handle cleaning

Reminder bristles

Reminder bristles let you know when to replace the brush head. After three months of normal use bristles exhibit fatigue, and brush heads are less effective. Replace your brush head every 3 months.

44% more bristles

44% more bristles for a more thorough clean.

Diamond-Shaped bristles

Diamond-Shaped bristles create more scraping surfaces to sweep away plaque.

Medium stiff bristle

Medium stiff bristles provide a firm, but gentle experience.

Removes up to 100% more plaque

*Removes up to 100% more plaque from hard-to-reach places than a manual toothbrush
