- Picture Compression Format: BMP, JPEG

# Highlights

## Dual SIM

Organize your life better and keep your contacts separate by using 2 different phone numbers. With Dual SIM, you don't need to carry 2 phones around.

## FM radio on the go

Enjoy the convenience of tuning in to FM radio the way you want - play it out loud through the phone's speaker or via your headset. Just plug in the headset, which acts as an antenna and select your listening option in the menu.

## Built-in LED flashlight

Why grope around in the dark for your keys or the light switch? Just rely on the handy built-in LED flashlight in your mobile phone to shed light on any situation.

## Digital camera

The integrated digital camera with VGA resolution (640x480 pixels) allows you to capture precious moments of your life anywhere, anytime with your phone. Press camera key to take vibrant pictures and use as wallpaper and fotocall, or to send later via MMS.
