

Philips
Table lamp

67315/30/16

See more, do more

Highly directional, precise beam of light mounted on a fully flexible arm that stays exactly where you need it, giving you a spot light where you need it most.

Benefits

Work with pleasure and perform with confidence

- Adjustable free-swing arm
- Anti-glare filter

Flexible applications

- Two extra mounting options
- On/off switch on article
- Philips bulb(s) included

Features

Two extra mounting options

Two extra mounting options: clamp or wall mounted.

Adjustable free-swing arm

Adjustable free-swing arm to direct the light where needed.

Sustainable light solutions

- High light quality with Philips energy saving lamps included
- Long lifetime up to 8000 hours
- Saves up to 80% energy
- Warm white light effect

Anti-glare filter

Anti-glare filter. Directs stray light away from your eyes and onto work surfaces without decreasing brightness level.

High light quality

Long lifetime

PHILIPS

On/off switch on article

With the button discreetly integrated into the article, you can easily switch the light on and off.

Warm white light effect

Philips bulb(s) included

This lamp comes with Philips light bulbs, offering you the best light quality and effect to match your lamp.

Saves up to 80% energy

The big advantage of fluorescent lighting is its energy efficiency. A fluorescent lamp consumes just one fifth of the energy of a conventional bulb. That means installing Philips fluorescent lighting in your home to replace standard bulbs will reduce your lighting electricity bill by around 80%!
