Highlights

Adjustable Comfort level

No matter how you like to 'feel' your headphones, this unique headband construction will always provide you with a personalised, comfortable fit. With height adjustment, you can comfortably wear the headphone for a much longer period.

Dual side application

Wear this headset on the side of your head that suits you best. The ear shell comfortably fits both left and right ears for maximum convenience.

Highly sensitive microphone

For clear and uninterrupted online conversations, this PC headset is the perfect solution as it comes with a highly sensitive microphone that picks up your voice.

Adjustable microphone

This easily adjusted boom will make sure the microphone is always optimally positioned to pick up your voice.
